

Financial Strength and Long Term Outlook

2020 +

In 2022, the Fill-Rite and Sotera brands, both with strong legacies associated with superior products and leadership positions in attractive niche pump markets, became part of The Gorman-Rupp Company.

2022 also marked 73 years of cash dividends and 50 consecutive years of dividend increases.

As part of the Company's succession planning, the Board of Directors approved the transition of the role of Chief Executive Officer from Jeffrey Gorman to Scott King. Jeff will continue to serve as the Company's Executive Chairman of the Board. With this transition Gorman-Rupp will continue to build on the strong foundation and culture that have been developed over the Company's 90+ year history.
